

# Get Polished

Newsletter: July 7, 2015

Many of our clients may not be aware that Akkari Tiling offers a Grinding/Polishing Service. For certain projects, this may be a better option than tiles.

Here are some images of polished surfaces...

**(Concrete Polishing)**

**(Marble Polishing)**

After attending a workshop in Sweden, we have upgraded our aging grinding machines to the latest state-of-the-art technology. We are now fully accredited HTC trained professionals.
